Section 1 is about the growth and performance of your organisation over the past three years. The section covers 4 main areas as below. In each section describe how well your company has done against performance targets/goals.

Section 1.

a. Financial performance

Include any information on financial performance against the targets. For example; If the target was to increase revenues by 5% and you achieved 6% tell the judges in your entry. Other examples are improving gross and net profits, capital expenditure, budget management, improving debtors positions. These are a few examples. Please do use others plus examples which are specific to your business.

b. People results

Your answer should focus on people performance against the targets. For example reduction in annual staff turnover, reduction in absenteeism, reduction in accidents,, improvement in productivity levels.

c. Customer results

Your answer should focus on customer performance against the targets you have set, for example, increasing customer satisfaction, growing repeat business, improving customer loyalty.

d. Society results

Your answer should focus on the organisation's involvement in the community, for example what actions or processes are in place to help local charities, students & educational institutions, clubs and other community groups. Other relevant performance measures may be facilitation of recycling, reduction & elimination of waste & packaging, ecological impact. Explain what the benefits of involvement in the community are to the organisation.

Section 2. Leadership

Your answer should focus on how leaders of the organisation develop, implement and review mission, vision & culture. How do leaders create management systems, how do they facilitate individual development, communication within the organisation, active personal involvement in staff and customers, stimulation and encouragement of achievement, prioritising, planning & effecting organisational change.

Section 3. Policy & Strategy

Your answer should focus on present & future needs and expectations of stakeholders, how policy & strategy is planned, designed, developed, reviewed and updated, how it is communicated across the organisation. Explain what processes are deployed to deliver the strategy.

Section 4. People

Your answer should focus on human resource plans, training & development plans, career opportunities, equal opportunities, developing skills, appraisals, encouragement & support, sharing best practice & knowledge. Explain how benefits and bonuses recognise & reward individuals.

Section 5. Partnerships & Resources
